CONTRIBUTION

Dear friends,

The Andorran volleyball Federation is pleased to host this Final Round where we will have the opportunity to see the best teams of our group.

One year more, we organize this event with the same motivation and enthusiasm hoping we will live great days of volleyball together.

We hope this Final can show, one more time, how big and strong is our Division and also that we are united behind a collective, ethical and forward-looking project. A project combining our peculiarities within the broader framework of the CEV.

To all of you, thank you for coming here, welcome, and enjoy the Final!
